How to: Upload Attachments via your Student Center in SIS

If a document being requested allows you to upload an attachment, you can do so from your desktop, laptop, or mobile device.

Once you have logged into SIS and accessed your To Do List, click on the requested items. Then simply follow the instructions below.

Please note – You may print forms from the Financial Aid Office web page at <u>www.jtcc.edu/financialaid</u>. <i>You must save the completed forms to your electronic device before uploading to your Student Center.

On a desktop or laptop:

1. Click on the "Upload File" button.
