

## CLINICAL CURRICULUM

Clinical rotations will be scheduled at approved clinical sites. Mileage from the off-campus instructional site to the approved clinical sites are provided. Students must be able to attend all clinical sites throughout program enrollment. Clinical rotations may be scheduled Monday through Friday, between 8:00 a.m. and 10:00 p.m., depending on the semester. Students are responsible for their own clinical transportation. Students are limited to no more than ten hours per day for clinical rotations. There are numerous health and professional requirements that must be completed to be able to attend clinical rotations.

### **1<sup>st</sup> Semester (Fall I)**
